New Operators to Search Dates in Relative Way

Users Audit & Management · https://gatlabs.com/knowledge/tech-tips/new-operators-to-search-dates-in-relative-way/

Filter to Search for Dates in a Relative Way

GAT+ has a filter to search for **Dates in a relative way**, like 10 hours ago, 7 days ago.

In filter options where a **date** is used, we can apply **Time ago** filter.

This is available throughout all GAT+ such as Drive audit, Users audit, Email audits, and so on.
