List all Google Drive Empty Folders

Drive Audit & Management · https://gatlabs.com/knowledge/tech-tips/list-all-google-drive-empty-folders/

GAT+ has multiple numbers of search parameters to find everything you need from your Google Drive.

Admins can find all the **Empty folders** the users have.

Embedded media:
https://www.youtube.com/embed/ilIOuzoIQWA?feature=oembed&color=red&rel=0&controls=1&start=&end=&fs=0&iv_loa

Search empty folders

Navigate to **GAT+ > Drive > apply filter**

- **Flag contains Empty folder**
  - Exclude empty folders - Flag does not contain Empty folder

This will give you a list of all **Empty folders** your domain has, you can add extra filters to narrow the search to a more detailed one.
